

ZA22 Front End Loader

Technical Data:

Specifications	Rated Load Bucket Capacity Lifting Time Min Turn Radius Max Climbing Gradient	2.2 Ton 1.2m ³ 4s 5000mm 30°
-----------------------	---	---

Engine	Type Rated Power Model	4cyl Diesel 92kw Yunnei 4108 Turbo
---------------	------------------------------	--

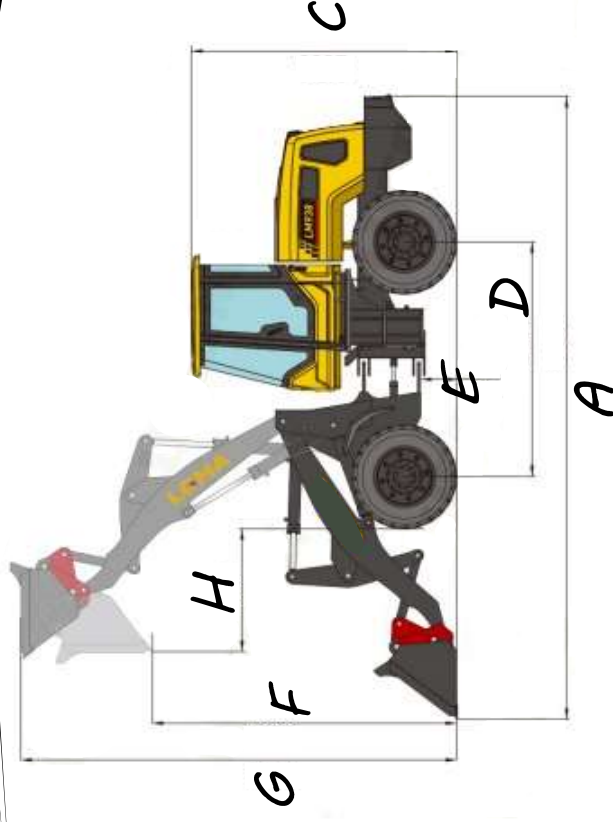

Tyres	Standard Size	16/70-24
--------------	---------------	----------

Transmission	Type	280 Integral H/L Speed
---------------------	------	------------------------

Articulation	Type	Full Hydraulic Articulated Steering Frame
---------------------	------	---

Working Hydraulics	Lifting Time Falling Time Total Cycling Time	4s 3s 10s
---------------------------	--	-----------------

Brake System	Operating Type Brake Booster Pump	Mechanical Single Joystick Two-Way Air Brake
---------------------	--------------------------------------	---

A	Overall Length	6660mm
B	Overall Width	2100mm
C	Overall Height	2900mm
D	Wheel Base	2560mm
E	Min Ground Clearance	360mm
F	Max Dumping Height	3480mm
G	Max Lifting Height	4750mm
H	Max Dumping Distance	1050mm
